

ΦΣΣ Convention 2007 Collegiate Staff Application

Eight collegians will have the unique opportunity to attend Convention at no on-site cost! As a member of the Convention Collegiate staff, you will perform a variety of tasks, including helping to set up and work registration, workshops, banquets, fundraise for the Foundation and much more!

In exchange for your service, you will have the opportunity to attend programming sessions and workshops, meet Phi Sigma Sigmas from across North America, and take advantage of most of the benefits that attending a conference has to offer. Phi Sigma Sigma will pay for your hotel costs, all meals and registration fees. You just need to provide your own transportation to Orlando, FL.

Collegiate Staff members are required to be on-site from Tuesday afternoon, July 24 through Sunday afternoon, July 29 at the Hilton, Walt Disney World Resort.

Convention 2007 is sure to be a phenomenal experience and a great way to learn new ideas to bring to your chapter. Don't miss this opportunity to participate!

Return this application by April 15, 2007 with a resume and two letters of reference. One letter of reference needs to be from a person outside of Phi Sigma Sigma.

Contact Headquarters for additional information at phisighq@phisigmasigma.org or 410-799-1224 x10.
